**SUMMARY AND AUTHORIZATION**

Robert P. Eckert and Sheila Delarm-Eckert are granted a second renewed permit, on conditions, for construction of a single family dwelling in an area classified Resource Management by the Official Adirondack Park Land Use and Development Plan Map in the Town of Brighton, Franklin County.

This project may not be undertaken, and no transfer deed shall be recorded, until this renewed permit is recorded in the Franklin County Clerk's Office. This renewed permit shall expire unless so recorded on or before July 19, 2016 in the names of all persons listed on the first page hereof and in the names of all owners of record of any portion of the project site on the recordation date.

This renewed permit is void if the project authorized herein is not in existence within four years from the date the permit is recorded. The Agency will consider the project authorized herein in existence when the foundation, framing, and roof of the single family dwelling have been constructed.

This permit does not convey any right to trespass upon the lands or interfere with the riparian rights of others in order to undertake the authorized project, nor does it authorize the impairment of any easement, right, title or interest in real or personal property. Nothing contained in this permit shall be construed to satisfy any legal obligations of the applicant to obtain any governmental approval or permit from any entity other than the Agency, whether federal, state, regional or local.

### **AGENCY JURISDICTION**

The project consists of the construction of a single family dwelling in a Resource Management land use area and within 300 feet of the edge of right-of-way of State Route 30, a Class B regional project requiring an Agency permit pursuant to § 810(2)(d)(1) and § 810(2)(d)(9) of the Adirondack Park Agency Act.

### **PROJECT SITE**

The project site is a 1.98±-acre parcel of land located on New York State Route 30 and intersected by Sunny Side Road in the Town of Brighton, Franklin County, in an area classified Resource Management on the Adirondack Park Land Use and Development Plan Map. It is identified on Town of Brighton Tax Map Section 334, Block 1 as Parcel 28. The project site is described in a deed from Carol A. Collins, as executrix for Dorothy E. Summers, to Robert P. Eckert, Jr. and Sheila DeLarm Eckert dated November 24, 1993 which was recorded January 19, 1994 in the Franklin County Clerk's Office in Liber 605 of Deeds at Page 208.

### **PROJECT DESCRIPTION**

The project as originally proposed and authorized by Agency Permits 2008-60 and 2008-60R is summarized as follows: construction of a one-story single family dwelling (1,600 square feet maximum), detached garage (800 square feet maximum), gravel driveway and parking area, on-site wastewater treatment system, well, and underground utilities.

The project site is shown on a site sketch map entitled "Eckert 2 Acre Lot Map," drawn by Bob Eckert, and dated May 2, 2008. A notation on the site sketch map indicates that minimal vegetation will be removed in order to maintain the wooded character and screening of the project site; limits of clearing are shown at 10-20± feet outside the proposed development. The dwelling is shown 50± feet south of the northern property line and 185± feet west of State Route 30. The garage is shown 20± feet southeast of the dwelling. A full scale copy of the site sketch map was attached to the original permit. The original site sketch map referenced by the original permit and this permit is the official plan for the project.

The project as originally proposed and authorized has not been undertaken to date. The applicant has requested that the Agency issue a renewed permit to allow the project to be undertaken and completed as originally proposed and authorized. No changes to the project are proposed.

### **CONDITIONS**

**BASED UPON THE FINDINGS BELOW AND INFORMATION CONTAINED IN THE PROJECT FILE, THE RENEWED PROJECT IS APPROVED SUBJECT TO THE FOLLOWING CONDITIONS:**

1. All conditions in Permits 2008-60 and 2008-60R remain in full force and effect.

2. This renewed permit is binding on the applicants, all present and future owners of the project site and all contractors undertaking all or a portion of the project. Copies of this permit and the site sketch map referred to in Permits 2008-60 and 2008-60R shall be furnished by the applicants to all subsequent owners or lessees of the project site prior to sale or lease, and by the applicants and/or any subsequent owner or lessee to all contractor(s) undertaking any construction activities pursuant to the permitted project. All deeds conveying all or a portion of the lands subject to this permit shall contain references to this permit as follows: "The lands conveyed are subject to Adirondack Park Agency Permit 2008-60 issued June 16, 2008, Permit 2008-60R issued June 8, 2012, and Permit 2008-60R2 issued May 20, 2016, the terms and conditions of which are binding upon the heirs, successors and assigns of the grantors and all subsequent grantees."
