2019-01-25	2018-0127	Town of Clifton	Clifton	<input checked="" type="checkbox"/>	<input type="checkbox"/>	IU	2	No	The Towns of Clifton and Fine propose to extend the Star Lake municipal water supply system to Newton Falls along NYS Route 3 and St. Lawrence CR 60. Approximately 22,000 linear feet of new water line will be installed. To avoid impacts, directional drilling will be used to install the water line at all stream and wetland crossings. In the limited situations where obstructions may be encountered, open trenching methods will be used. The project could involve a maximum of .49 acres of temporary wetland impact if open trench excavation is used at every crossing location. Appropriate measures such as turbidity curtains and soil and erosion control practices will be employed adjacent to all rivers, streams and wetland areas.
